

Create Your Sports Engine Account

1 - You will receive an email as below from SportsEngine with a subject line titled 'Your Password to Access Academy Swim Team Burnham on Sea'. If you have not received this email yet you will not be able to set up your account on the AST website. Please email secretary@astbos.co.uk if this is the case and we will send it out.

2 - Click on 'Claim Account' and it will take you to the Sports Engine site account creation page below. Enter your name and date of birth and your email address should already be populated in that field.

For the phone number field there is a technical glitch with the Team Unify site. We already have your phone number in our membership database and this part of the login page will only accept a default number as entered in this format with these numbers. **If you try to enter your own number in this format it will not work, please enter it as (012) 345-6789.**

TeamUnity
System Maintenance Alert
December 8, 2009. 11pm to 4am

The ability to Sign In as a team administrator or authorized family/account will be prohibited during the scheduled outage time-frame outlined above. Access to the team website will not be affected, just the ability to sign-in. Please perform any needed administrative management needs, such as meet entries, registrations, OnDeck syncing, job sign-ups, billing and/or email communication as these and other functions will not be accessible during this outage.

The outage times are PACIFIC STANDARD TIME [PST]

During this period of time, we will be upgrading our servers to provide an improved level of performance, stability, and availability for the TeamUnity Swim Team Management Platform. This is a significant upgrade, and will require a larger than normal maintenance window. We appreciate your patience during this upgrade. Please don't hesitate to contact us if you have any questions.
